RE: Brown, Iona v J.J.J. Delivery LLC
D/A: 12/21/2006
Index # 08-cv-0026

Dear Honorable Justice Cedarbaum:

Please be advised that my office represents the plaintiff in the abovementioned case. In this matter we had a Conference in front of your honor in January. At the Conference I discussed with the defense attorney scheduling depositions in April. For over a month my office has been attempting to schedule depositions, but the defendants have refused to cooperate. My para-legal has left several messages that have not been returned. Last week I spoke with the attorney handling the matter for the defendant and he also refused to cooperate.

Therefore I am requesting that the Court aid in scheduling depositions so that discovery can be completed in this matter.

If you have any questions kindly contact the undersigned. I thank you for your anticipated cooperation.
